I can assure you that your presence here on this day is a source of great motivation and encouragement to the entire school.

It is an honour and privilege to be the Principal of Genius International Public School Nerchowk, the school that stands for excellence and provides quality education. GIPS, Nerchowk is a special place, where the students, parents and the faculty work together with a common mission and share goals to prepare our children to be productive citizens of the 21st Century.

The School under the dynamic leadership of Dr. R.K. Abhilashi and Dr. L.K. Abhilashi strives towards innovation and latest practices in the field of pedagogy are being continuously incorporated. Your unwavering commitment to education and the growth of our students is truly inspiring.

The School focuses not only on advanced academics but also on co-curricular and extracurricular activities. Students are trained at a very young age towards incorporating a sense of responsibility, loyalty, team spirit and healthy competition to become dignified personalities.

To accomplish all goals our significant, dynamic team of teachers & administrators worked very hard and left no stone unturned. Everybody is encouraged to participate in the annual day festivities and take part in making it memorable—whether they are students, parents or staff. Let us embrace the spirit of celebration and unity on this day, and continue to work towards making our school the best it can be.

“Success is the sweet result of hard work combined with the desire to excel and unfailing dedication”

Competitions and academic activities that go beyond the textbooks and the classrooms encourage and foster a healthy, competitive spirit and effective communication skills in the students. The activities are conducted at classroom level, school level and inter house level. Some of these events are handwriting competition, essay, debate, slogan writing competition, story writing, quiz and many more. Science, Mathematics, English, Hindi, GK Olympiads are conducted every year and students perform excellently well in these competitions.

TRAINING, SEMINARS, ORIENTATION AND COUNSELING

Each academic year training, seminars and orientation programs are conducted for students and teachers with a dual focus to improve and efficiently implement innovative ideas in teaching learning practices as well as to take students be on their current levels in teaching- learning. Counseling sessions are being conducted by reputed personalities and alumni of school sharing their experience and guides students about various fields they have enrolled.

Co-curricular and Extra-curricular activities

Co-curricular activities are essential attributes for any educational institution as they strengthen the classroom learning as well as develop the personality of a child. Some of these activities are card making, best out of waste, poster making, chart making. Participation by the students and teachers in these events is commendable.

“It is said that you must practice like you have never had one and perform like you have never lost”.

Games & Sports Activities

When students are physically fit they will achieve more academically. Games and sports develop a sense of friendliness among the children and also build their team spirit.

UNIQUE ACHIEVEMENTS

Our School has been completely transformed to Digital School where in classroom has a projector, interactive whiteboard and panels to facilitate Blended Learning process.

Govt. of India, NITI Aayog selected and approved grant in aid to Genius International Public School to set up ATL with aim to promote creativity and innovation. In 2023, Hon'ble Chairman's Dr. R.K. Abhilashi has inaugurated the ATL and dedicated to the students with objectives to foster curiosity, creativity to develop scientific temper and imagination in young minds.

CELEBRATIONS

To foster National integration and international understanding, religious and cultural awareness, various occasions –National, religious and cultural festivals are celebrated with enthusiasm and grandeur.

We believe that every child is unique. They learn and grow differently. Our caring and passionate teachers provide basic knowledge and skills as well as pay individual attention to them in the teaching –learning process. We strive to achieve excellence in whatever we do. We know that we all have to work very hard for it, but GIPS is raising to go “ever forward and never to look back” is the spirit which we invoke to guide us through out.

We all know, presentation of the school report on its Annual Day is an enduring tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both the expected and unexpected, while setting various milestones and then synergizing ourselves to move ahead to face the challenge in the coming year, with a positive attitude. GIPS focuses on the holistic development of every student but at the same time we ensure that the academic training takes the center place in our system and our results do showcase this fact. School Board classes overall result is 100%.

Now the glimpse of what the 'GIPS' did throughout the year 2025 till now:-List of Academic, Co-Curricular, Sports Activities and celebration of important days:-
